

## Certificate & CEU Information

The site fee allows your site to connect to the webinar. Any number of individuals can watch and listen to the webinar at that site. For those people who want it documented that they attended the course we offer Course Registration from Families Together. Anyone who registers for the course receives a certificate stating that they attended the entire 3 hours of the course. The course fees vary depending on the speaker. \$10.00 for our regular webinars and \$20.00 for Special Speakers. In addition, once you are registered for the course you can also get .3 CEU's. from WSU for an additional \$15.00. You must be registered for the course to receive CEU's. For many individuals who need documentation the course certificate from Families Together is enough. Please check to make sure you need CEU's and that the WSU CEU's will be accepted by your state.
